#### 1. Introduction

Hi Jeffrey Nicholls! This document will take you through your earnings for the hotspot Deep Ruby Lemur, at the address: 5 Sailsbury Terrace, TS6 6EX. This invoice will cover the month of October - 2022. In this document we will provide you with all the figures you need to complete your tax returns. We will send you invoices every month, to allow you to keep track of your running tax total. During April we will send you a complete invoice for the tax year, this will just compile each months invoice, saving you from doing the calculations Your invoice is split into two sections:

- 1. Summarised invoice
- 2. Complete Invoice

The Summarised Invoice provides you with the figures you will need to complete your tax return. Whereas, the Complete Invoice is an in depth view of each time your hotspot mined HNT, this allows you to see a breakdown of each transaction your hotspot was involved in. The figures found in the Summarised Invoice are derived from the complete invoice - which is explained later in this document.

Below are some useful links, to government documentation, that will assist you in paying your taxes. Read through these links thoroughly.
